WHERE TO FIND HIM?

P.Ribes, s.j.

Intent of the Story

✓ *Jesus is present in our towns and cities today, yet we do not know.*
✓ *He is forgotten and neglected by most of us.*
✓ *Many search for Him in the wrong places.*

The Story

Was it a dream? Was it a reality? I can't tell you for sure.

On a December night, I heard a voice loud and **clear** *"**Don't you know?   Jesus has been born anew in our city. Go and meet Him"**

Like the shepherds of old, I went in search of him to see Him and worship Him.

First, I thought that Jesus, would be born in some Hospital or Maternity Home. So, I combed all the best hospitals and Maternity Homes in town. But, Jesus and his parents - Mary and Joseph – were no where to be seen!

Someone said: "Mary and Joseph must have gone to buy some baby clothes for the child." So, I went to all the big stores and "prenatal" shops where they sell trendy baby wear. But, I did not find them there either.

Some suggested: "The Holy Family may be hungry now. They might must have gone to have a meal somewhere in city"   So, searched all big hotels and posh eating houses in town, but Jesus wasn't there!

"Perhaps" another said, "Jesus and Mary were bored and in need of some entertainment." Then, I visited all Cinema Houses and Theatres in town. Yet, Jesus and his Parents were not seen or found!
\
Still some kind soul surmised: "By now, the Holy family must have settled somewhere in our city. With great expectations, I visited all the sky-scrappers and   luxurious apartments in town. Still I could not trace Jesus and his parents.

Finally, , in desperation, I come to you and ask: "Please, tell me, where I shall find Jesus and his parents in town?   Waiting for your answer I woke up from sleep….Never mind, tell me now where could I find them?

Points for Reflection

1. Jesus is really born, time and again, in our cities
2. We do not see Him because we do not look for Him at the right places.
3. We do not   find Him because we do not search for Him with our hearts.
4. Where will we easily find Him?
