

THE DOG AND ITS REFLECTION

Aesop's Fable.

***Greed stops us from enjoying what we already have
Greedy people are for ever unsatisfied.***

When a Dog, was crossing a bridge over a stream with a piece of flesh in his mouth, he saw his own reflection in the water and took it for another Dog, with a piece of meat doubled his own in size. He immediately let go of his own, and fiercely attacked the other Dog to get his larger piece from him. Thus he lost what he already had.
